

**Carroll Manor Elementary School
School Progress Plan Summary 2023-2024
Principal: Angela McNelly**

<p>BCPS Vision: Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.</p>	<p>School Mission: We will incorporate 21st century skills into daily instruction as we provide an academic foundation for globally competitive students. The blended learning environment will promote optimal learning in all content areas within a safe and nurturing setting. Students will have the tools to satisfy not only their intellectual curiosity but meet the challenges of a successful career and a lifetime of improving the society in which they will live.</p>
ACTION STEPS	
Mathematics/Culture	
Goal: All students will achieve mathematics proficiency as indicated by the MCAP assessment.	
Action Step(s):	
<ul style="list-style-type: none"> • Teachers will implement system programs and resources with fidelity while being responsive to learner variability within the parameters of the programs and resources. • Classroom routines and expectations promote cooperative learning, teacher to student interactions, and student to student interactions characterized by mutual respect and caring. 	
Literacy/Culture	
Goal: All students will achieve literacy proficiency as indicated by the MCAP assessment.	
Action Step(s):	
<ul style="list-style-type: none"> • Teachers will implement system programs and resources with fidelity while being responsive to learner variability within the parameters of the programs and resources. • Classroom routines and expectations promote cooperative learning, teacher to student interactions, and student to student interactions characterized by mutual respect and caring. 	
Safe and Secure Environment	
Action Step(s):	
<ul style="list-style-type: none"> • Teachers will center on students’ identities, strengths, interests, and needs in order to make instruction accessible. • Educators will examine and interrogate their personal biases to become aware of the ways in which their own cultural experiences influence the conditions and learning opportunities that they create for students.
